

Our mission:
Serving people
with compassion
and dignity.

We take pride in knowing every patient is cared for by our compassionate and committed team of caregivers. You can rest assured you or your loved one will be in good hands at Capitol Hill.

Our caregivers provide the comfort, care and privacy our residents need and deserve. Our experienced team strives to provide love and compassion to all those entrusted to our care.

Capitol Hill provides long term care, as well as care after hospital stays when physical, occupational or speech therapy and skilled nursing is recommended before returning home.

Long Term Care

Our long-term care residents receive nursing care while still enjoying daily opportunities to socialize and be active. Our experienced staff supports the daily routine of our residents by assisting with daily living activities and healthcare coordination.

Skilled Nursing & Therapy

Sometimes a single event can change your life. Perhaps it is an unexpected health emergency such as a stroke or heart attack. When difficulties take place, our clinical staff, including our certified Physical, Occupational and Speech Therapists, are available to help you regain independence, mobility and function at your own pace. Our staff respects your needs every step of the way. Skilled therapy can offer a highly effective follow-on regimen to a qualifying hospital stay for conditions including:

- Strokes
- Heart Attacks
- Surgery
- Broken Bones
- Joint Replacement
- Respiratory Illness
